# Classic MODELS

D26/OCT24/CM

## **Purpose of this document**

The purpose of the document is to act as guide as which type of furniture model to be purchased.

Classic model is the base model. There are innumerable variations possible on these base model to customize as per site requirement and interior designers visualization. They form the basic block on which the different levels of customization is done in any office.

Decision making is very easy to choose type of model required in your office. Then the count can be varied as per the requirement:

1. Lead time for delivery is faster as level of customization is less, and manufacturing starts immediately.
2. Cost is less as level of effort to manufacture is simple since the machines are already preprogrammed with sizes and finish.
3. Installation is quick.
4. Colours and sizes are readily available.
5. Sizes are proven over years with respect to ergonomics.
6. Compatible with any interior space of whatever size.
